

We have a new website! Please visit us at:

www.openarmsareana.com

Or, you can scan the QR code shown below

Some important features of the website include:

Meetings Tab – An interactive, up-to-date, directory of meetings in the Greater Saint Louis geographic area, with meeting details and maps/directions.

Literature Tab – This tab has all NA official group readings and Informational Pamphlets, easily accessible in digital form.

ASC Tab – This tab has information about upcoming Area Service Committee meetings. It also has uploaded minutes from the most recent ASC (as well as previous ones). You can also find any area forms such as service resumes, group report forms, subcommittee chairperson report forms, and area guidelines (once approved).

Just For Today tab– This tab updates each day with the current Just For Today daily meditation.

Events tab – Provides a calendar of upcoming local NA events.

For Professionals Tab – This tab provides an outward-facing introduction to our fellowship and our area for professionals such as treatment providers. It also includes the same set of digital publications that World provides to professionals. Further, it includes a link to a contact form for professionals wanting to contact a trusted servant from our area.

In the near future we will be adding information to the for addicts tab. We will also be adding more publications to the literature tab, such as the white booklet and various service guides.
